“I HOPE YOU ARE DOING WELL”

My name is Akram Chauhan and I'm a passionate Web Developer and Web Designer. I am writing this proposal to let you know that I am interested in working with your success.

I have made large number of websites, which are specifically based on the PHP and WordPress platforms and I've 3+ years of experience in WordPress. I am also expertise in SEO.

I've worked on HTML5, CSS3, SQL, Click funnels and JavaScript. I will be glad if you accept this proposal, assuring you that I will serve you the best of my knowledge. I have also experience in developing sites on Ecommerce platforms.

I am a Web Developer, Web Designer, Graphic Designer, PHP, WordPress, Magento Developer, Shopify and SEO expert. I have large portfolio of sites built specifically on these platforms. Sites which I created is mentioned in my work experience.

I will be available 40 hours per week.

While I am certain there will be other candidates who'd be applying for this project, I can serve you the best of the knowledge I have.

Regards, Akram Chauhan
